## HAAL-E-MAUSAM – REAL WORLD CASE STUDY COMPETITION

Case study on "Change in climatic conditions over forest cover in India"

**ELIGIBILITY:** All undergraduate students pursuing a 3 or 4-year degree in any discipline are eligible to participate in the event.

**TEAM SIZE AND REGISTRATION:** A team should consist of at most 3 members, and each participant can be a part of only one team. The team leader will register on behalf of the entire team. Problem Statement is in the google form which the team leader will fill (in the description).

**TEAM REGISTRATION FEE:**

**SUBMISSION OF PROPOSAL:** Teams should submit a brief proposal outlining their approach to creating an effective plan by April 5, 2023.

IIPE, VISAKHAPATNAM

**EVALUATION OF PROPOSAL:** The submitted proposals will be evaluated based on creativity, feasibility, and effectiveness in meeting future energy demands while prioritizing the use of renewable energy sources. The maximum word limit for the proposal is 500 words.

**SHORTLISTING OF TEAMS:** The top 6–8 teams will be shortlisted based on the evaluation of their proposals.

**PRESENTATION:** The shortlisted teams will be invited to give a 10-minute presentation on their proposed plan in front of a panel of judges.

**EVALUATION OF PRESENTATION:** The presentations will be evaluated based on clarity of thought, communication skills, technical knowledge, and effectiveness of the plan.

**WINNER SELECTION:** The top 3 teams with the most creative and effective energy plan presentations will be declared the winners.

**PLAGIARISM:** Any form of plagiarism in the plan will lead to disqualification.

**DISPUTES:** In case of any dispute, the decision of the organizing committee will be final.

**PRIZES:** The winning teams will receive prizes worth over Rs 20,000/-

**Event Coordinators:**
