Case-Study Competition

13-15 AFRIL

IIPE, VISAKHAPATNAM

ENEGRON- REAL WORLD CASE STUDY COMPETITION

Problem statement provided by an industrialist is in the quest of a solution. Opportunity for all the younger minds to come up with a solution of your own.

ELIGIBILITY: All undergraduate students pursuing a 3 or 4-year degree in any discipline are eligible to participate in the event.

TEAM SIZE AND REGISTRATION: A team should consist of at most 3 members, and each participant can be a part of only one team. The team leader will register on behalf of the entire team. Problem Statement will be uploaded on the website.

TEAM REGISTRATION FEE:

SUBMISSION OF PROPOSAL: Teams should submit a brief proposal outlining their approach to creating an effective plan by April 5, 2023.

EVALUATION OF PROPOSAL: The submitted proposals will be evaluated based on creativity, feasibility, and effectiveness in meeting future energy demands while prioritizing the use of renewable energy sources. The maximum word limit for the proposal is 500 words.

SHORTLISTING OF TEAMS: The top 6-8 teams will be shortlisted based on the evaluation of their proposals.

PRESENTATION: The shortlisted teams will be invited to give a 10-minute presentation on their proposed plan in front of a panel of judges.

EVALUATION OF PRESENTATION: The presentations will be evaluated based on clarity of thought, communication skills, technical knowledge, and effectiveness of the plan.

WINNER SELECTION: The top 3 teams with the most creative and effective energy plan presentations will be declared the winners.

PLAGIARISM: Any form of plagiarism in the plan will lead to disqualification.

DISPUTES: In case of any dispute, the decision of the organizing committee will be final.

PRIZES: The winning teams will receive prizes worth over Rs 20,000/-
